

## The Guy Next To Me

The preacher sure did pour it on, but he just let me be.

He took the starch right out of him that sat right next to me.

You should have heard the things he said, it is true as it could be –

It burned the seat under him that sat right next to me.

He hit the nail square on the head, with him I did agree,

He trimmed the dead limbs off of him that sat right next to me.

How he was taking all this truth, embarrassed he must be.

But when I looked 'round ... WEREN'T NO ONE NEXT TO ME!!!
